Pianist evenings throughout September

(Saturday evening of the 7th, 14th, 21st & 28th)

We are regularly complimented on our music choices here at The White Horse Inn. Creating an ambiance and dining experience that you will enjoy and remember is important to us.

Less than a handful of venues throughout the whole of Kent offer a pianist as part of your dining experience. We are very pleased to announce that throughout September for all Saturday evenings (7th, 14th, 21st & 28th) you will have a pianist playing for your enjoyment.

All you have to do is dine with us on any Saturday evening throughout September. We have limited tables so book sooner rather than later.
